## ALCHEMY

L'ESPRESSIONE DELLO SMALTO,  
LA RICERCATEZZA DEL DESIGN

EXPRESSIVE GLAZE, SOPHISTICATED DESIGN

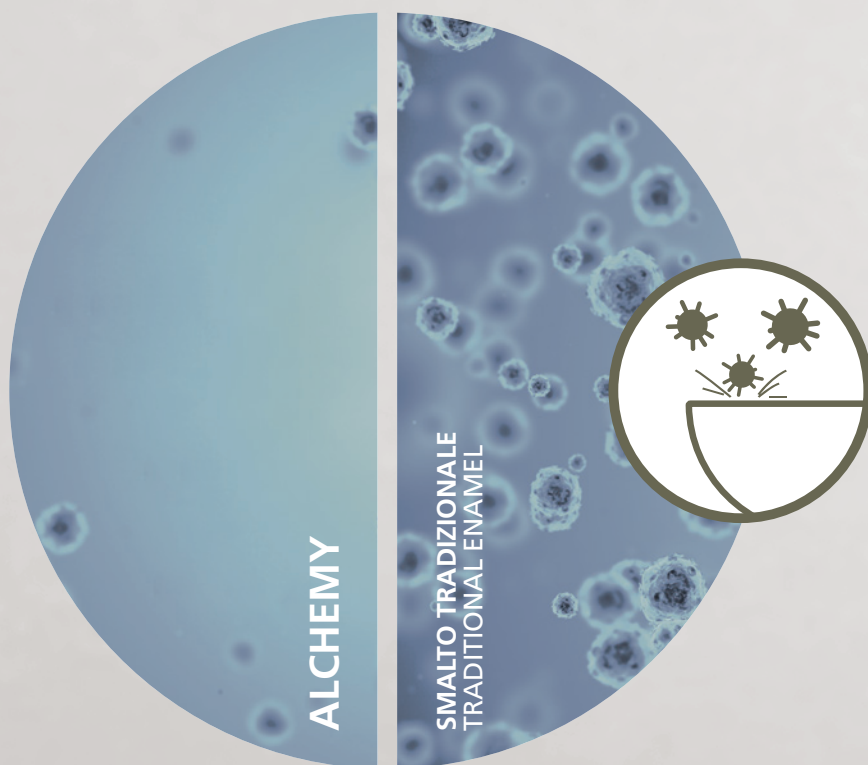

*hatria*

# ALCHEMY

# QUALITÀ ESCLUSIVE

EXCLUSIVE FEATURES

**ANTIBATTERICO**  
ANTIBACTERIAL

## **PIU' IGIENE, QUALITÀ E PREVENZIONE**

Alchemy pone attenzione all'esigenza sempre più elevata in materia di prevenzione e salute: la risposta si colloca nel nuovo sistema di trattamento con proprietà antibatteriche dello smalto che aiuta a isolare la superficie da microbi e batteri. Più igiene, più sicurezza.

## **BETTER HYGIENE, QUALITY AND PREVENTION**

Alchemy responds to the ever-increasing demands with regard to prevention and health, with a new antibacterial glaze treatment system that helps to seal the surface against microbes and bacteria. More hygiene, more safety.

# ALCHEMY

# QUALITÀ ESCLUSIVE

EXCLUSIVE FEATURES

**ANTICALCARE**  
ANTI-LIMESCALE

## **SUPERFICI SEMPRE BRILLANTI, INATTACCABILI E SEMPLICI DA PULIRE**

L'aggiunta di cristallina anticalcare negli smalti dona alla superficie ceramica un effetto brillante e lucente, ineguagliabile. Alchemy garantisce grande resistenza ai depositi e all'adesione di calcare, a vantaggio della pulizia che risulta più semplice ed eco sostenibile.

## **EASY-CLEAN SURFACES, RESISTANT TO DEPOSITS AND WITH A CONSTANT SHINE**

The addition of anti-limescale frit to glazes creates a uniquely bright, shiny ceramic surface. Alchemy guarantees outstanding resistance to limescale and other deposits, making cleaning easier and more environment-friendly.

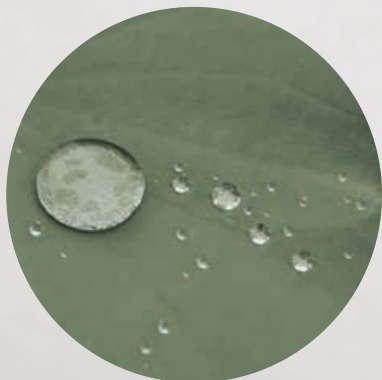

**INALTERABILE**  
TIMELESS

## **MASSIMA RESISTENZA, GARANZIA DI DURATA NEL TEMPO**

Tecnologie ricercate ed applicate al prodotto determinano qualità e resistenza. Alchemy offre caratteristiche davvero uniche, le superfici diventano difficili da graffiare o segnare, scalfire o rovinare. Qualsiasi macchia o segno è facilmente ripristinabile. Inalterabile nel tempo.

## **MAXIMUM STRENGTH, GUARANTEED DURABILITY**

Sophisticated technologies applied to the product to ensure its quality and strength. Alchemy offers truly unique characteristics; surfaces become highly resistant to scratches, marks, chips or damage. Any stain or mark can easily be removed. Immune to time.

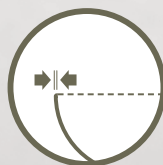

**IDROFUGO**  
WATER-REPELLENT

## **PROPRIETÀ AUTOPULENTE, FACILE MANUTENZIONE**

Il risultato di questi speciali benefici tecnici avviene anche grazie ad un particolare trattamento idrofugo applicato allo smalto. Alchemy ha un effetto sorprendente sulla superficie, permettendo all'acqua e alle gocce di scivolare più agevolmente, evitandone l'accumulo e il ristagno (effetto loto).

## **SELF-CLEANING PROPERTIES, EASY CARE**

The results of these specific technical benefits are thanks in part to a special water-repellent treatment applied to the glaze. Alchemy has a surprising effect on the surface, enabling water and droplets to slip off it more easily, preventing them from building up or stagnating (lotus effect).

**BORDO ULTRASOTTILE**  
ULTRASLIM EDGE

## **ELEGANZA E PERFEZIONE, INALTERATA RESISTENZA** Nuova estetica, **solo 5 mm di spessore.**

## **ELEGANCE AND PERFECTION, WITH NO REDUCTION IN STRENGTH**

New look, **just 5 mm thick.**
